EXPERIENCE

Grad Tutor - Faculty Of Science

Athabasca University | 2020 | Remote

Helps students in computer science topics. Works effectively with students at various learning levels and age groups. Manages schedules in order to provide maximum service to students. Coordinates between technological apps, videos, and textbook explanations on various subjects.

Electronics Technician

Axxess Industries | 2019 | Kelowna, BC

Assembles and tests electronic products to meet project requirements. Reads work orders, follows production drawings and sample assemblies, or receives verbal instructions regarding duties to be performed. Adapts easily to changing priorities and procedures. Supports and helps implement quality principles.

CNC Operator

Axxess Industries | 2018 | Kelowna, BC

Operates machine by entering instructions, including zero and reference points; setting tool registers, offsets, compensation, and conditional switches. Verifies settings by measuring positions, first-run part, and sample work-pieces. Maintains a clean workspace and safe operations by adhering to safety procedures and regulations.
